

Sending reflux back where it belongs

*****SOT*****

Dr. Greg Ward, OSF HealthCare surgeon

**"People lose sleep over it. They wake up in the middle of the night coughing. They have other discomfort."
(:08)**

Dr. Greg Ward, OSF HealthCare surgeon

"People love to have things like ice cream right before bed. That's a killer for reflux." (:04)

*****SOT*****

Dr. Greg Ward, OSF HealthCare surgeon

"We wrap the stomach a bit around the esophagus to keep food from going back up into the esophagus when it shouldn't." (:09)

*****SOT*****

Dr. Greg Ward, OSF HealthCare surgeon

"You're unable to burp. You'll really get uncomfortable if you drink a carbonated beverage. And if you force yourself to burp, it loosens the work we've done in surgery. All of a sudden, you're having heartburn again." (:12)
