

**'They are very special people'**

*OSF HealthCare pharmacist encourages others to give the gift of life*

**\*\*\*SOT\*\*\***

**Cheryl Weaver, clinical pharmacist at OSF HealthCare**

**"Everybody has their own beliefs. I understand that. But my belief is that once you're gone and your body is left behind, you should use it, hopefully, to help other people continue to live." (:13)**
