(September 23, 2025/PEORIA, Illinois.) – OSF HealthCare will host the 2025 **OSF OnCall Digital Health Symposium** on **Wednesday, November 12, 2025**, at the [Jump Trading Simulation & Education Center](#) in Peoria, one of the largest simulation and innovation centers in the world, at 1306 N. Berkeley Ave. in Peoria, Illinois.

The all-day event will showcase the transformative power of digital innovation in health care, featuring engaging sessions, networking opportunities and insights from national leaders in the field.

A highlight of the symposium will be keynote **Kyle Zebley**, senior vice president of Public Policy, with the [American Telemedicine Association \(ATA\)](#). He will explore how ATA Action and the Center of Digital Excellence (CODE) are driving policy change to ensure telehealth and digital care are recognized as essential infrastructure.

The keynote session, "*Navigating the Path to Permanent Digital Health Policy: From Telehealth to Digital-Native Care Models*", will set the stage for discussions about how health systems, policymakers and innovators can collaborate to advance digital health.

Breakout sessions will highlight real-world applications of digital solutions, including:

- **Transforming the Patient Room: Advancing Care Through hellocare.ai Smart Technology**
- **Connected Care: Leveraging Virtual Programs for Post-Hospitalization Support**
- **Seeds of Change: Growing a Quality Virtual Nursing Program**
- **Transforming the Future of Primary Care with OSF CompleteCare 55+**

Plus, join us for:

- **An opportunity to tour a smart tech hospital room and the OnCall Connect Pregnancy and Postpartum mobile clinic**

"Pending legislation seeks to codify the widely used waivers that have allowed for broader access to telehealth, including originating from patients' homes and by a wider range of providers, and to

address other telehealth-related provisions,” says Jennifer Junis, president of OSF OnCall. “The ATA and OSF HealthCare are partners in the advocacy effort and we look forward to highlighting our strategy and progress.”

The event will run from **8:00 a.m.- 4:00 p.m.** and includes breakfast, lunch and networking with health care innovators, clinicians and industry partners.

This activity was planned by and for the health care team. Learners will receive **5.00 Interprofessional Continuing Education (IPCE) credits** for learning and change.

In support of improving patient care, Jump Trading Simulation & Education Center is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the health care team.

Registration is open through 11:45 a.m. on November 5, 2025.
