

## **OSF HealthCare expanding women's health care**

Run time - :43

ANCHOR LEDE: Women in Central Illinois will soon have more care options, and that may mean a quicker appointment. Tim Ditman of OSF HealthCare has more.

~~~

OSF is collaborating with Advanced Women's Healthcare to expand select services, including well-woman, prenatal, postpartum, pelvic floor, and gynecological care. New clinics are planned for Forsyth and Lincoln, and the clinic in Urbana will expand.

JT Barnhart is the hospital president in Urbana:

SOUNDBITE

The new relationship aligns with OSF's mission, vision, and ethics as a Catholic health care system.

I'm Tim Ditman.
