

## **OSF HealthCare Brings OSF OnCall Urgent Care to the Metro Region (*Interview Transcripts*)**

### **Brandi Clark, Vice President, On Demand Services, OSF OnCall**

“As we all know, the last year has held many challenges as we face the pandemic, and yet we continue to grow and expand our services and access to healthcare for the residents of southwest Chicago.” (:12)

### **AJ Querciagrossa, Chief Executive Officer, Metro Region, OSF HealthCare**

“We are really excited to have OSF OnCall now in our Metro Region of Chicago because our community is very busy, and our families are busy. Especially now with COVID, there are so many times where you may not be able to get into a doctor right away or you may not need services of an emergency department – so it’s going to be really important to get in and out. For families on the go here on the south side of Chicago, OSF OnCall Urgent Care is the place to go.” (:30)

### **Jose Nevarez, Mayor, Merrionette Park**

“I want to thank all of the healthcare workers who are going to be working with our community and surrounding communities here. We know that you are dealing with this (pandemic) on a day-to-day basis, so thank you very much – and welcome to the Village of Merrionette Park.” (:11)
