

## **'It was a miracle that I was there'**

*Equipped with skills taught by OSF, woman saves life of man in cardiac arrest*

Run time - :29

**ANCHOR LEDE:** It's being called a miracle, and it's a reminder to arm yourself with life-saving skills. Tim Ditman of OSF HealthCare has more on a chance meeting in Champaign, Illinois.

~~~

On October 6<sup>th</sup>, 2023, Lester Lindsey of Champaign was in cardiac arrest. Shannon Walter was nearby and got an alert on the PulsePoint app that someone needed CPR. Her quick actions saved Lindsey's life.

**Lester Lindsey**

**"She's an angel. It makes me feel really blessed. I'm glad she was there." (:05)**

You can call your local hospital or visit the American Heart Association website to learn CPR.

I'm Tim Ditman.
