(April 1, 2025 | Rockford, Illinois) – Alec Grabowski, MBA, MHA, has been named president of OSF HealthCare Saint Anthony Medical Center in Rockford. He will begin serving as president effective April 1, 2025.

Grabowski will lead OSF Saint Anthony in aligning with the overall strategy of OSF HealthCare. He will be responsible for directing all internal operations while continuing to ensure that high quality and cost-effective health care is delivered to patients.

"I am very excited to have Alec join our team," says AJ Querciagrossa, CEO, Western Region, OSF HealthCare. "His impressive operations background and his down-to-earth personality have served him well in all the areas he has led previously. His servant-first approach will position him well in his new role. I am looking forward to him getting started and engaging our physicians, leaders, Mission Partners, and others within our communities."

Grabowski has 15 years of health care career experience. His most recent role was network chief executive officer for a three-hospital system in metro Charlotte, North Carolina, including Lake Norman, Davis Regional Medical Center and Davis Psychiatric Hospital, in addition to an extensive outpatient network.

"I could not be more proud or more honored to join the OSF Saint Anthony Medical Center family," says Grabowski. "I am excited about the future as I lead our care team members in providing excellent health care and offering a space where our patients feel valued and rely on us for all their health care needs."

"I made the decision to join OSF Saint Anthony Medical Center as it not only is an excellent hospital; it is an excellent fit with my values," he adds. "Raised in a Catholic household this is an opportunity to represent an organization and ideal that holds deep personal meaning for me. I also look forward to the culture and heritage of the Rockford area as I share both Polish and Swedish roots with much of the region."

Grabowski earned his Bachelor of Business Administration from Kennesaw State University in Kennesaw, Georgia. He went on to earn a Master of Healthcare Administration and a Master of Business Administration from Georgia State University.
