(September 3, 2025 | Peoria, Illinois) – OSF HealthCare is joining Great Plains Orthopaedics to offer a walk-in orthopedic sports injury clinic every Saturday through October 25, from 8 a.m. to noon, at OSF Center for Health on Route 91 in Peoria.

The clinic provides a convenient, direct pathway to specialized care for athletes experiencing sports-related injuries. Instead of first visiting urgent care or prompt care facilities and then being referred to OSF Orthopedics, injured athletes can walk directly into the Saturday clinic and be seen by an orthopedic specialist.

Patients should enter through the main entrance and proceed to the OSF Orthopedics office on the fourth floor.
