

## **Dirty floors and bare feet don't mix**

Walking barefoot on dirty bathroom or locker room floors can lead to plantar warts

**\*\*\*SOT\*\*\***

**Dr. Marc Leonard, OSF HealthCare podiatrist**

**"Plantar warts are one of the most common skin lesions we'll see in our office." (:05)**

**\*\*\*SOT\*\*\***

**"It looks like a callus. You see little growths. Sometimes they even satellite out, and we'll get other little growths around that original lesion." (:10)**

**\*\*\*SOT\*\*\***

**Dr. Marc Leonard, OSF HealthCare podiatrist**

**"It's an acid that almost blows up that outer layer of tissue. Then we decompress it. Even with that, it still takes several treatments." (:12)**
