

Soundbite Script – Patient gets second chance at life

Mark Pohl, Heart Patient

“I was depressed and kept thinking, ‘Why me?’ It was an emotional roller coaster.” (:18)

Mark Pohl, Heart Patient

“I really don’t remember much,” Pohl says. “Four days later, I woke up at OSF.” (:8)

Dr. Samer Mowakeaa, Interventional Cardiologist, OSF Cardiovascular Institute

“He would not have survived without the support of these technologies that we used,” says Dr. Mowakeaa. “This was a life-threatening condition.” (:10)

Mark Pohl, Heart Patient

“Don’t give up. Grab the bull by the horn as they say and plow through it.” (:9)
